

BUTLER COUNTY PRESERVICE TRAINING 2011

We are pleased to announce that our Foster Care/Adoption Workshops have been scheduled. Additionally, an accelerated track has been added to assist families who have demanding schedules. Both tracks include workshops that will provide the mandatory hours of training for our prospective foster and adoptive parents. This training is an agency requirement for all who plan to foster or adopt children through this agency. All prospective foster/adoptive parents, either single or both husband and wife in case of couples, will be required to attend workshop in its entirety. The foster/adoption of special needs children is an exciting and challenging undertaking and, therefore, required appropriate preparation on the part of the parents. The first class will be an Introduction to the Child Welfare System and an overview of our programs. You will also be required to sign off on local Background Checks.

All training on this sheet will be held at Butler County Children Services, 300 N. Fair Ave, Hamilton OH 45011

You will need to register for the round you would like to take, please call 1-800-792-3854 or log onto our website:
